

Procedures for a range break:

Give a verbal warning - “We will be taking a range break in a few minutes.”

Taking the break – “We are taking a range break, unload your gun, remove the magazine, lock the action open, insert the empty chamber indicator, place your gun on the table surface of your lane facing down range and step behind the yellow safety line/yellow rope.”

“Everyone must remain behind the yellow line and/or yellow rope until the break is over.”

HANDLING OF FIREARMS AND/OR MAGAZINES WHILE PEOPLE ARE DOWN RANGE IS STRICTLY PROHIBITED.

Open the green gate to signify that it is safe to go down range.

People are now allowed to go down range and set up targets.

When everyone is done hanging targets, a visual inspection of the range will be performed and the word “clear” will be yelled down range.

Close the green gate to block the path down range.

The command “Range is hot” shall be the signal that it is safe to commence firing.

BIG 3 SAFETY RULES

1. Always keep the gun pointed in a safe direction - Either down range toward the berm or up at the ceiling.

2. Keep your finger off the trigger until ready to shoot and until your sights are on the target.

3. Always keep the gun unloaded until ready to use.

SCSC Range Rules

1. EVERYONE MUST WEAR EYE AND EAR PROTECTION. This applies to shooters and spectators.

2. All firearms must be **UNLOADED AND CASED** INCLUDING CONCEALED CARRY GUNS THAT YOU WISH TO SHOOT when being transported to and from the firing line. Uncase firearms on the line facing down range.

3. You must obey all orders and commands given by the Range Safety Officers.

4. The range is for use by Full and Probationary members (including their immediate family), and their guests. See guest procedures inside.

5. Members **must** wear their SCSC member I.D. badge or they will **NOT** be allowed to use the ranges.

6. Everyone must stay behind the yellow line/yellow rope during a range break.

7. Post targets so that bullets pass through and into the berm – NOT INTO THE GROUND OR THE 2X4 OR 4X4 LUMBER.

8. Do not shoot at any metal targets, spinners, cans, plastic bottles etc. ONLY SHOOT PAPER TARGETS affixed to club supplied backers. NO TANNERITE ALLOWED.

9. Clay targets may be placed on the back berm only – between 2 feet and no more than 4 feet up the berm from the ground.
